

2018 Oral Health Policy Conference: *The Winds of Change* Sponsorship Opportunity

Contact: 573.638.3816/nkettenbrink@oralhealthmissouri.org

The fifth annual Missouri Oral Health Policy Conference by the Missouri Coalition for Oral Health will be held on Thursday, March 1, and Friday, March 2, 2018, at the Capitol Plaza Hotel in Jefferson City. This important event will help raise awareness of the oral health challenges facing Missouri, while providing a wealth of information about oral health policy.

Your sponsorship of this important event will demonstrate your commitment to improving the oral health of Missouri and will help the Coalition continue to make advances in oral health policy, as well as providing your organization with a unique promotional opportunity.

We have had approximately 120 conference attendees each year. They included oral health professionals, representatives of safety-net clinics and health departments, oral health leaders, advocates, policy makers, and community members interested in oral health. We are planning for an increase in attendees at the 2018 conference.
